

SENIOR ATTORNEY

Alana S.-L. Silver

(248) 851-4111
asilver@zausmer.com

Alana Silver focuses her practice on personal injury protection and bodily injury cases.

Before coming to Zausmer, Alana gained experience in both defense and plaintiff work, which allows her to anticipate objectives from the plaintiff's perspective and helps her formulate compelling litigation strategies. She has managed and litigated a large docket of cases from discovery through settlement, as well as investigating claims for fraud, priority, and assignment to insurance carriers. Alana is proficient in formulating litigation plans, settlement recommendations, case evaluation summaries, facilitation briefs, and dispositive motions. She has won several motions regarding material misrepresentations. Alana is also a certified Mediator for the Wayne Mediation Center.

Alana received her undergraduate degree, *with honors*, from the University of Western Ontario. She then earned her Juris Doctor, *cum laude*, from the University of Detroit Mercy School of Law, where she served as the Online Editor of the *University Detroit Mercy Law Review*, was on the Dean's List, and received the Virginia Leo Sirotnak Dean's Scholarship. Alana currently serves as a Board Member of NEXTGen Detroit, where she plans volunteer events and enjoys making a positive impact in the community.

Outside of the office, Alana enjoys traveling and hiking. A native of Windsor, Canada, Alana finds her dual citizenship to be quite beneficial, as it allows her to see her family and friends across the river.
